### SURREY CUP ENTRY FORM FOR 2010/11 WINTER SEASON

Dear Secretary,

Following the success of the league changes made last winter, we will be continuing with the system where the web site is THE place for results entry and all nomination lists being entered there as well.

In fact, the only significant change being made is that the threat of penalties for not entering results on time will now be carried out. Without wishing to point the finger, some teams make very little effort to enter results, which leaves other teams in the divisions not knowing where they stand. It is the work of two minutes to update results and you will all now be required to do so, along with all the names from the drop-down lists.

The entry form for the 2010/11 Surrey Cup is enclosed and as usual, the main information, fixtures etc. will be sent to you once your entry forms and cheques have been received. **Please ensure that your entry forms, with the correct fee, are returned to me by 22<sup>nd</sup> August. If you need to get a cheque raised by your club, start this process asap.** The division information will then be sent out at the beginning of the week beginning 6th September leaving you nearly 4 weeks to arrange matches and enter information on the web site before the leagues start on 4<sup>th</sup> October.

Also enclosed is an entry form for the 2010/11 Racketball League.

**And remember, in order to play in any Surrey leagues, your club MUST BE AFFILIATED TO ENGLAND SQUASH. Do not just assume that your club has paid their affiliation fee for this year – contact your club management and ensure it happens. You will not be allowed to enter teams unless you have paid.**

Yours sincerely,

Tim
