SURREY CUP ENTRY FORM FOR 2014/15 WINTER SEASON

Dear Secretary,

You will by now have received an email containing details of the new format for the Surrey Cup from this winter onwards, a copy of which is attached. The rules are also being updated to reflect the format changes and will be issued soon.

The entry form for the 2014/15 Surrey Cup is also attached and as usual, the main information, fixtures etc. will be sent to you once your entry forms and payments have been received.

Please try and **ensure that your entry forms, with the correct fee, are returned to me by 30th August. If you need to get a cheque raised by your club, start this process asap.** If you wish to pay by BACS, the information is on the entry form. Once the payment has been made, it will be confirmed on the web site.

The division information will be sent out at the beginning of September leaving you plenty of time to arrange matches and enter information on the web site before the leagues start on 6th October.

The changes to the format will obviously have an effect on which division a particular team is placed but this is inevitable. We will do our best to ensure that the division winners from last year are promoted and that teams are in suitable divisions but we hope that you will all accept that it may not work out perfectly.

Yours sincerely,

Tim
